

RADCODA GROUP PMA - LEGAL DISCLAIMER

Effective Date: 2025-05-11

This website (www.radcode.co.uk) and all associated platforms, services, and content are operated under the jurisdiction of the Radcode Group PMA (Private Membership Association), a private entity functioning within the private domain, protected by the right to contract, freedom of association, and natural law principles.

NOTICE TO PUBLIC

Radcode Group PMA does not operate in the public domain and does not consent to statutory regulation, public authority oversight, or corporate governance. All interactions with this platform and its materials are deemed private, contractual, and protected.

MEMBERSHIP-ONLY ACCESS

All services, offerings, materials, and communications are intended for private members only. By accessing or interacting with this site, you acknowledge and agree to the terms of private membership, even if implicitly through use.

NO PUBLIC OFFERINGS

Nothing on this website constitutes a public offer to sell, distribute, or promote products or services under public law. All content is shared for educational, artistic, wellness, or transformative use among private members.

LIMITATION OF LIABILITY

Radcode Group PMA, its stewards, affiliates, and members disclaim all liability for any perceived

harm, misuse, misinterpretation, or external interference with our works. Any remedies sought must be pursued privately within the bounds of PMA processes.

COPYRIGHT & TRADEMARK NOTICE

All names, content, platforms, and marks are the private intellectual property of Radcoda Group PMA. Unauthorized public reproduction, registration, or misuse is strictly prohibited and may result in lawful remedy or notice of default.

JURISDICTION

All disputes, concerns, or engagements must be addressed within private arbitration or settlement frameworks agreed upon in advance by members of the PMA.

This disclaimer serves as notice to all visitors, regulators, and third parties of the private, protected nature of Radcoda Group PMA and its affiliated platforms.

Signed,
